Congratulations on your decision to buy an ENERGY STAR Qualified Refrigerator or Freezer. It's good for you, your family, and the environment. Thank you!

Valid for purchases made January 1, 2010 - December 31, 2010. All rebate requests must be postmarked no later than January 31, 2011. Limit: One refrigerator and one freezer rebate per Massachusetts residential account per calendar year. Eligible refrigerator or freezer must be installed in Massachusetts. Refrigerator must be 7.75 cu. ft. or larger to be eligible. Excludes compact models. For more information, call: 1-877-ESTAR 4 U (378-2748). This rebate offer is available to all Massachusetts residential customers of participating utilities and energy efficiency service providers and may be subject to change without prior notice. This rebate may not be combined with any other utility or energy efficiency service provider offer; however, it can be combined with American Recovery and Reinvestment Act (ARRA) incentives. The participating utility or energy efficiency service provider reserves the right to conduct field inspections to verify installations. Limitation of liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EPPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EPPP with such further documentation as the EPPP may request to confirm the EPPP's ownership of such benefits.

Get cash back from us.

With a new ENERGY STAR qualified refrigerator, you can start saving right away. For a limited time, receive a mail-in rebate of \$50! Some restrictions may apply. Just ask your local participating retailer for details.

A fridge made before 1993 could be costing you approximately \$300 each year to operate, depending on the size and model year. Replace it with a new ENERGY STAR qualified model and cut your related energy costs in half. See the chart below for comparisons of sample equipment types, including savings associated with ENERGY STAR qualified freezers.

Typical Annual Savings from Replacing an Old Refrigerator or Freezer with an ENERGY STAR Qualified Model of Equal Size

Only products delivering the highest level of energy efficiency can earn the ENERGY STAR. Look for them at participating retailers. Call 1-877-ESTAR 4 U (378-2748) or visit myenergystar.com for a complete list of participating appliance retailers.
