**Note 1** If the Company determines that the Facility does not qualify for the Simplified Process; it will let the Interconnecting Customer know what the appropriate fee is.

**Note 2** Supplemental Review and additional review are defined in Section 3.2 of the tariff.

**Note 3** This is the actual cost only attributable to the applicant. Any costs not expended from the application fee previously collected will go toward the costs of these studies.

**Note 4** Not applicable except in certain rare cases where a System Modification would be needed. If so, the modifications are the Interconnecting Customer's responsibility.

**Note 5** O & M is defined as the Company's operations and maintenance carrying charges on the incremental costs associated with serving the Interconnecting Customer.

**Note 6** The fee will be based on actual cost up to \$300 plus driving time, unless Company representatives are required to do additional work due to extraordinary circumstances or due to problems on the Interconnecting Customer's side of the PCC (e.g., Company representative required to make two trips to the site), in which case Interconnecting Customer will cover the additional cost.

**Note 7** Unless extraordinary circumstances.
